

## The Nibi Collection

by Riobel®

In the urban industrial aesthetic, the Nibi Collection takes its inspiration from the conical tapering form of an enduring lighthouse. The beacon of beauty. The collection is inclusive of a full bathroom suite: faucets, tub fillers and shower solutions.

## The Armstrong™ Collection

by Perrin & Rowe®

A graceful balance of past, present, precision and proportion, Armstrong™ honors the era of invention in elegantly modern form. Handles echo the silhouette of spools once used in textile production and the sleek curve of the spout completes a look of understated elegance that always stands out. Geometric grace. The collection is comprised of faucets, tub fillers, accessories and shower solutions.
